

ITK 179

Introduction to Data Structures

Spring, 2009

Introduction to the Course

Introduction to the Instructor

PowerPoint with Califf

- Used for organization
- Used to present problems
- Generally not used to present much information
- Never a substitute for class attendance

Syllabus

For Wednesday

- Read Chapter 1, sections 1-2

By Friday

- Submit questionnaire.
- Send email to mecaliff@ilstu.edu from your **preferred** email address.

By next Wednesday

- If you took 168 last semester, see me or Mrs. Goodwin and go over your final exam.
- If you did not, come see me to discuss your background.
